

This is to certify that

Safeclin

supplied by

ATRIN

11 Rybnicka Street, 44-207 Rybnik, Poland

has been registered by InS Services

**Solvent cleaners and degreasers for
use in non-processing areas**

This product is acceptable as a solvent cleaner or degreaser in areas where food is not processed and there is no possibility of vapours entering a food processing area. Food processing equipment or utensils treated with this substance must be washed with detergent and thoroughly rinsed with potable water before being returned to a food processing area.
